*“The emergence of youth ushers in a new dawn. When the youth arise, the times will change. When the youth advance, the evils will flee.”*

With this mindset, International Youth Forum, an initiative by Alexis Society, is a global platform for the youth to come together for working towards effective Policy, Change and Development. IYF will bring together young people to discuss, study, channelize their innovative ideas to address issues of national and international importance. This will be followed by implementation of resolutions by crafting an Action Plan to be worked upon throughout the year. The forum will be centered around the theme ‘Role of Youth in Indian Renaissance’ with discussions, competitions and workshops. It is an opportunity for those who really want to make a difference on the global front.

Alexis Society has been successfully conducting several campaigns such as Lets do it! India, UNEP Billion Tree Project, Project Nisalayah, Anusandhan etc. More details can be found on our website [www.alexis.co.in](http://www.alexis.co.in). We will highly appreciate your support in making this event a success. All other details have been provided in the brochure.

The forum will have around **500 delegates** from various countries across the globe. We have already received **400+ applications** from **65 countries**. Now, we expect participation from **over 100 countries**.
